

CAUTION: KEEP OUT OF REACH OF CHILDREN & READ SAFETY DIRECTION BEFORE USE

POTASSIUM SILICATE

- *Strengthens stem walls which can prevent pest infestations*
- *More efficient photosynthesis through increased leaf size and thickness.*
- *Promotes root growth creating healthier plants with enhanced stress resistance.*
- *Reproduction enhancement and increases pollination.*

ANALYSIS:

SILICON (SI02)	32%
POTASSIUM (as silicate)	21 %
SILCON SOLIDS	53.2%

APPLICATION RATES:

Foliar :

2 – 3 L/ha (Do not spray onto flowers)

1:300 dilution.

Fertigate:

After planting 3-5 L per Ha

STORAGE & HANDLING

Compatibility and/or performance cannot be guaranteed when combined with other products.
Store concentrate in cool area out of direct sunlight.
Shake concentrate thoroughly before use.
Do not pre-mix or store in diluted form, and use promptly once opened.

SAFETY:

Avoid contact with skin and eyes.
Wash or shower after use.
If swallowed seek medical advice or call 1800 025 044.
